An act to amend Section 12716 of the Government Code, relating to gaming, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 288, as amended, Battin. Gaming.

(1) Existing law requires each county that administers grants from the Indian Gaming Special Distribution Fund to provide an annual report to the Legislature by April 1 of each year, detailing the specific projects funded by all grants in that county's jurisdiction.

The bill would also make technical, nonsubstantive changes to that provision of law.

(2) Existing law authorizes funds within the Indian Gaming Special Distribution Fund to be used to provide grants to local government agencies impacted by tribal gaming *and the California Gambling*

Control Commission, among other purposes. Existing law authorizes funds within the Gambling Control Fund to be used for the support of the California Gambling Control Commission.

This bill would appropriate ~~\$20,000,000~~ \$21,564,000 from the Indian Gaming Special Distribution Fund and \$118,000 from the Gambling Control Fund for that purpose the regulation of gaming and the mitigation of its impacts, as specified. The bill would also make a statement of intent that certain amounts of this appropriation be used for workload associated with specified Indian gaming compacts ratified in 1999.
